CONDITIONS OF TRAINING

Name of Fellow _____
(FAMILY NAME, Given name, Other names)

Country _____

If I am accepted to receive technical training under the U.S. Department of Agriculture (USDA) Cochran Fellowship Program, I agree to adhere to my arranged program, to devote my time and attention to my studies and/or practical training, and to conform to Cochran Program regulations and procedures for the duration of my training program. I will not seek extension of the period of my program but will return to my country without delay upon completion of my training acquired under this program. I also agree to conform to all laws of the United States.

Furthermore, I thoroughly understand the following requirements and policies of the Cochran Fellowship Program:

I. Dependents:

USDA does not permit family members to accompany or join a Fellow while he/she is in training.

II. Attendance of Fellows at Conferences and Meetings:

Attendance of fellows at national or international conferences, conventions or meetings of professional, trade, or other associations is not permitted unless such attendance is a part of the Cochran Fellowship training program.

III. Conditions for Termination of Training Programs:

USDA reserves the right to terminate the training program of those Fellows who:

- A. Change the course of study without authorization from the USDA/Cochran Fellowship Program.
- B. Fail to show sufficient interest in or to pursue effectively their training program.
- C. Have severe mental or physical health problems.
- D. Conduct themselves in a manner prejudicial to the program or to the laws of the United States.
- E. Marry during training without securing prior USDA approval.
- F. Have in any way falsified information on the application and/or supporting documents.
- G. Not compliant with Two Year Residence Requirement for DS 2019 SEVIS Program.

IV. Travel:

If selected, the applicant, their institution, or other sponsor assumes financial responsibility for travel to and from Washington, D.C. or their specified arrival/departure site.

V. Financial Support:

The applicant is aware that the financial support provided by the USDA Cochran Program is for training fees, emergency medical insurance, domestic transportation, lodging and food only. The daily maintenance allowance is based on U.S. Government Service Administrates rates and is adequate for modest lodging and food. USDA does not fund any expenses related to family members accompanying the Fellow.

The Cochran Fellowship program does NOT cover the cost of international airfare. Please initial here to indicate you understand this requirement. _____

Do you have guaranteed/approved funding from your company or organization? Yes No

VI. Health and Insurance:

It is a requirement before arrival in the United States that every Fellow has a physical examination and be determined to be in good health. Proof of medical fitness (a signed letter from a medical doctor within 1 month of the program start date) is required before you will be allowed to travel to the United States as a Cochran Fellow. The insurance provided to the Fellow while in the United States will cover only **EMERGENCY** medical care and **DOES NOT** cover pre-existing conditions, prescriptions, dental or optical work. In addition, the Fellow may be responsible for paying the established deductible (\$100.00) for each occurrence. **I understand that USDA and its training providers are not responsible for any costs related to medical care while in the United States.**

VII. Debts and Obligations:

The Fellow will be responsible for all debts and financial obligations incurred while in the United States.

VIII. Two-year Home-Country Physical Presence Requirement:

When you agree to participate in an Exchange Visitor Program and your program falls under the conditions explained below, you will be subject to the **two-year home-country physical presence (foreign residence) requirement**. This means you will be required to return to your home country for two years at the end of your exchange visitor program. This requirement under immigration law is based on Section 212(e) of the Immigration and Nationality Act.

Two-year Home-Country Physical Presence Requirement Conditions - An exchange visitor is subject to the two-year home country physical presence requirement if the following conditions exist:
Government funded exchange program - The program in which the exchange visitor was participating was financed in whole or in part directly or indirectly by the U.S. government or the government of the exchange visitor's nationality or last residence.
